TENNIS CLUB MEETS AND ELECTS OFFICERS

O. F. Jones is Again Named as President of Organization—League to Be Strong.

At an interesting meeting of the Potomac Tennis Club held at the residence of O. F. Jones, the following officers were elected for the ensuing year: O. F. Jones, president; H. L. Buckingham, vice-president; M. W. Clear, secretary; J. H. Holmes, treasurer; and J. H. Holmes, J. H. Holmes, and J. H. Holmes, members of the executive committee.

On behalf of the club Holmes presented President Jones a beautiful cravat pin as a token of appreciation for his work during the year as club president. From M. W. Clear, league representative, it was learned that the Suburban Tennis League will be represented by eight clubs instead of six, namely, Potomac, Princeton, Holmes, Racquet Club, Bureau of Standards, Argyle, Home Club and Euclid.

The Potomac Club will be well represented this year and expects to be near the top at the end of the season.

STORK IS EXPECTED AT WILLARD'S HOME

Chicago, March 21.—Jesse Willard, who again to become a proud papa, the fifth addition to the Willard family was expected March 15, and now the doctor says the stork will arrive this week. Mrs. Willard has three girls and a boy.

Friends of the Willard family hinted today that Willard's recent illness was something of a bluff, that he was expecting the stork at his home, didn't want to be away when it arrived, and was too bashful to take the public into his confidence.

Goodwin Has the Makings Of a Big League Pitcher

"Old Fox" May Sign Goodwinville Youngster and Farm Him to Minor League.

ROOKIES LINE-UP NAMED

By WILLIAM PEET.
Charlottesville, Va., March 21.—Manager Griffith tonight gave out the names of his players who will go to Washington next Saturday and will be accompanied by Nick Altrock, where games are to be played in Alexandria and Clarendon.

Altrock's camp leaves camp on the 7:30 train Saturday morning and will stop off at Alexandria to play the Cardinal Athletic Club that afternoon. The batting order of the Nationals follows: Mosler, c.; Sawyer, 1b.; Barber, 2b.; Horace Milan, 3b.; Shanks, ss.; Parks, 3b.; Williams, 1b.; Gharitty, c. and Bentley, p.

In addition Sam Gittings, Charley Humphreys, Dahlin, Dumont and Sloan, all young pitchers, will accompany the club.

For the game against Clarendon on Sunday Altrock will probably pitch. Humphreys and Dumont, as he has heard that Bill Malone's crowd is primed for the game with the best semi-pro talent available. Youngsters who witness these games will get a look at a mighty promising young catcher in Gharitty, who is destined to be heard from before the 1916 campaign closes.

Pitcher Marvin Goodwin, the semi-pro from Gordonsville, Va., reported this afternoon that Griff wanted no time looking the young man over. Goodwin showed a whole lot of stuff, including a spit ball and fade away. He pitched two innings against the Yankigans and those who batted against him, as well as Catcher Henry, all declared that the new-come looked as if he might be able to deliver the goods.

Griffith, who stood behind Goodwin during his work out, said after the game: "That youngster has a chance in the big show, judging by what I saw today, and I am going to keep him with me as long as we are down here. He has a good pitching arm, but is green and awkward. He is willing to learn and with a little coaching will be 25 per cent more efficient."

Griffith estimated that he might sign up Goodwin and place him somewhere in a fast minor league.

Charlottesville today was visited by every kind of weather imaginable. Shortly after midnight it started to rain, then it snowed, and when the young athletes tumbled out their beds there was more than an inch of white stuff on the ground.

Morning practice was called off on account of the cold, but about noon the sun made its appearance and by the time the men reached Lambeth Field it was as warm and balmy as a spring day.

Shanks and Alva Williams were a bit under the weather this morning and both were excused from practice. The ailment is only slight and this pair expect to be in the line-up tomorrow.

Griff's young pitchers have at last started complaining about sore arms. Sloan, Dahlin and Gittings are the ones who are complaining. Sloan, who is the other hand, appears to be in tip-top shape, especially Galla and Ayers, who looked to be in mid-season form this afternoon.

The Old Fox has adopted another policy of working his slabs during the few remaining days the club will be in camp. He is going to run his veterans in the club games every other day, and make them travel at top speed while they are in the box. That's why he laid off Boehl, Bentley, Johnson and Harper this afternoon.

The third game of the series against the University of Virginia will be played tomorrow evening and Walter Johnson is slated to go to the mound.

The college boys are out for revenge and promise to make things lively. Rixey, Hager and Drummond will most likely lead the box work.

Yannigans Again Take Scalp of Regular Team

With "Uncle" Nick Altrock as Pilot the "Almosts" Trim Griffith's Choice, 4 to 3.

GOES ELEVEN INNINGS

Special to The Washington Herald.
Charlottesville, Va., March 21.—Eleven innings of baseball were played here this afternoon between Griffith's Regulars and the Yannigans, the Yannigans winning, of course. Score, 4 to 3.

It did not take the Yannigans eleven innings to render a verdict, for Altrock's bunch settled all arguments by rushing over two runs in the ninth. The game continued just as if nothing had happened because it was a nice, balmy afternoon and Griff figured his players needed work.

The actual winning of these interteam struggles does not interest Griff a whole lot. It's the individual work of the new players that keeps him busy and undoubtedly causes him to form opinions, which are sure to prove inestimable value later, when he decides to wield the pruning knife.

Nick Makes Homer.
Big Alva Williams was under the weather today, so Manager Altrock himself played first base and incidentally scored a run in the eighth inning. He doubled on a home-run drive in the eighth inning.

The "Old Fox" used up seven pitchers during the frolic, including Marvin Goodwin, the new recruit from Gordonsville, who reported just in time to get a taste of high life.

Ray Morgan discarded one underhander, leaving only three in addition to several yards of red flannel and a rubber jacket. The absence of one shirt helped wonderfully for Ray was the demon slinger of the afternoon, cracking out a pair of doubles and a single out of four times.

When Morgan gets ready to shed another shirt the outfielders are expected to play back in the next county and the infielders advised to wear shin guards.

Loose Played Game.
The game itself was rather loosely played, but nevertheless interesting. Galla pitching for the Yannigans, was first to get his bumps when the Regulars scored a run in the first inning. Nick to Judge, followed by Morgan's two-base wallop to left, turning the trick.

It was not until the fifth that the Yannigans got this marker back. Gower was pitching and Ed Gharitty started off with a single, stealing second because the new-come failed to hold him on first base. McBride booted Parks, roller, and Galla's single to left, Gharitty scored.

The count was tied until the final of the eighth, when George Dumont was pitched to the next county and Nick Altrock, noting the outfield playing in head, jammed the ball over Rondeau's head for a legitimate triple. The ball was caught by the outfielder, but Nick to run home. Nick took the dare and scored, as Morgan after laughing himself into a fit, threw the ball wide. The scorers, who insist that justice be done at all times, gave Altrock a home run. Nick deserved it, too, for that "Dutchman" ran the bases as if pursued by a sheriff.

Yannigans put the game on ice in the ninth, a double by Mosler, Sawyer's single, a walk to Barber and Horace Milan's triple sending over two tallies.

Gittings, who pitched the tenth and eleventh innings for the second team, was pitched to the next county and Nick Altrock, noting the outfield playing in head, jammed the ball over Rondeau's head for a legitimate triple. The ball was caught by the outfielder, but Nick to run home. Nick took the dare and scored, as Morgan after laughing himself into a fit, threw the ball wide. The scorers, who insist that justice be done at all times, gave Altrock a home run. Nick deserved it, too, for that "Dutchman" ran the bases as if pursued by a sheriff.

Three Out of Every Four Clubs to Receive Big Prizes in the A. C. B. A. Tournament

That three teams out of every four entering in the A. C. B. A. tournament will receive a prize was practically decided at a meeting of the committee having this year of the tournament in charge yesterday. Many inquirers have come into headquarters as to how many prizes would be given, and as to the size of these prizes. As it cannot be definitely decided as to the amount of the prize until the entries are in, the basis upon which division will be made was decided upon.

ARRANGE FOR BOAT TRIP FOR PORT DEPOSIT GAMES

Arthur J. Ford, of the Tome School, Port Deposit, Md., announces that all arrangements have been completed with the Potomac Company for the running of a special boat from Baltimore to Port Deposit on May 20, the day of Tome's big field and track meet.

The trip up the bay and the short journey on the Susquehanna River make an unusually beautiful ride, and many Baltimoreans prefer to come that way. Every train also that comes into Port Deposit, arrives at the hotel, and a dredge drive in from the farms and estates of the surrounding country. It is the biggest day, athletically speaking, that Tome has during the year. There is the greatest affair of the kind held in the entire South.

The program will consist of about twenty-five events, including open events, novice events, rural high school events, midday relay races and dashes and a faculty relay race.

The victors will receive gold, silver and bronze medals. A handsome silver cup will be given to the highest point winner in the open events; the school winning the meet will be awarded a silver-mounted plaque, and a banner will be awarded to the school which scores the most points in the country high school events.

Tome possesses a remarkably attractive setting for a field and track meet, having a view of the river and the city from an elevated plateau carved out of the hill, which bounds it on the north, and the athletic field has something of the appearance of the ancient Greek amphitheater. The grand stand, curved to follow the outline of the track, adds considerably to the impression. From the grand stand there is a splendid view of the magnificent buildings, the campus, with the beautiful Italian garden, the Susquehanna River and the Harford hills in the distance.

Never before have as many acceptances to the meet been received, and never before has interest and enthusiasm waxed so keen. The Tome management is making preparations for a monster affair, and is almost certain that this, the tenth of the Tome annual field and track meet, will eclipse all preceding ones in size and brilliancy.

YANNIGANS MAY LOSE TO EPIPHANY

For the second time in succession the Epiphany gymnasium has defeated the Y. M. C. A. quint in the "Y" gymnasium, this time making three times the total of points of their opponents, 56 to 18.

The third game of the series against the University of Virginia will be played tomorrow evening and Walter Johnson is slated to go to the mound.

The college boys are out for revenge and promise to make things lively. Rixey, Hager and Drummond will most likely lead the box work.

Doe Ayers has added a slow ball to his collection and it is proving to be mighty effective. Ayers pitched four innings this afternoon and threw out five hits. His slow ball had the Yannigans guessing throughout and they were unable to score on the hit.

Manager Griffith held a meeting of his so-called regulars after supper tonight for the purpose of discussing signals which were used during the remaining games since he has been out.

Charley Jamison was today drafted from Altrock's Yannigans and exchanged places with Barber in right field for the regular game tomorrow night.

Barber is in the midst of a slump, but it is not likely to last long, and he may get his old place back by the latter part of the week.

Ray Morgan looked like the Morgan of old today when he drove the ball all over the lot, hitting every pitcher safely who dared him. Morgan pitched four innings and only three pounds over the weight. Griff insists that he must make before the season opens.

Goodwin Has the Makings Of a Big League Pitcher

"Old Fox" May Sign Goodwinville Youngster and Farm Him to Minor League.

ROOKIES LINE-UP NAMED

MORAN APPEARS READY FOR BATTLE WITH THE CHAMPION

New York, March 21.—Willie Lewis, Jr., enough to enjoy a dry rub. This was waiting to be seen after breakfast, and then a cooling massage prepared me for the descent upon breakfast table. Being on what may be called a diet, I didn't dare attack anything but the soft boiled egg meal with a glass of milk on the side. While mentioning this, I will add that Saturday evening, around midnight, I am going to treat myself to one of the best and heartiest meals any big man ever sat down before.

A few friends from Kansas were waiting to see me after breakfast, and for an hour we discussed cattle. About 11 o'clock I started off on another walk along the drive and showed my friends Grant's tomb and all the other places of interest. At noon everybody but myself sat down to a comfortable repast and an hour later we started for the Pioneer Club. When I stripped for action I felt like doing a lot of real fighting. For a few minutes I yanked away at the pullers just as I will. For two rounds he slugged at me and sometimes hit me. No matter how I stuck my gloves into Rod's face he wouldn't back up an inch. This was a swift workout and had me in great shape for the fight.

Hempie went along for two rounds and fought to the limit, but he was more exhausted than I at the finish. George Rodol took up the work of Hempie and the four went at his task with the only way to win a man settle down to a real fight. The two rounds I went along with Monahan were thrilling enough for anybody.

Once again I went on for another round and when that was over he and I pulled and tugged each other all around the ring. This finished, I spent a few minutes developing my abdominal muscles by doing floor exercise and bending backward over a stool.

From the time I left after being rubbed down I missed nothing. I am about one or two pounds from my regular fighting weight. If those few pounds stick it won't worry me, however, for I am in good enough condition to fight any man in the world over any distance.

BEWICKS FORFEIT THREE TO CASLONS

The Caslons won three games in the Washington Herald Duckpin League yesterday when the Bewicks forfeited the set by not being able to muster a team. An all-star team under the leadership of Frank Allen handed the Caslons a good trimming by capturing the three games.

Left: 78 89 84; Johnson, 96 77 92; Decker, 92 96 81; S. Lynch, 91 81 82.

SCHEDULE IS REJECTED

Worcester, Mass., March 21.—The newly organized Eastern Baseball League yesterday rejected the schedule which came before it for consideration. The meeting was held until April 15, when the club owners will discuss the matter again in this city. It was announced that a prize of \$100 would be given for the schedule which should prove acceptable. The league decided to increase salaries over the \$1,800 limit. The amount of the raise was not stated.

JIMMY JOHNSON SIGNS

Chattanooga, Tenn., March 21.—Jimmy Johnson, hold-out fielder of the Dodgers, has agreed to accept a two-year iron-clad contract at \$2,000 per year. Johnson has been working out with the local Southern League club.

ELECT AQUATIC CAPTAIN

Cambridge, Mass., March 21.—Hunt Wentworth, of Chicago, was elected captain of the Harvard swimming team last night.

YALE-HARVARD RACE JUNE 23

Varsity Eight Oared Crews to Row on Thames River at New London. New Haven, Conn., March 21.—The Harvard-Yale varsity four-mile race will be rowed on Friday, June 23, on the Thames River, at New London, according to the tentative regatta program, made public today. On account of tidal conditions, the race will be rowed upstream for the third successive year.

There will be five events on the program. A graduate eight-oar race Thursday afternoon, June 21, first and second freshman eight-oar races Friday morning, to be
